

# C.D. NOTEBOOK

*Choose the paper like you  
would a good pen.*

PRODUCTS CATALOG

**APICA**

With the progress of digitization, we write less and less these days.  
We believe that what we can do in such a situation is to continue conveying the importance of  
writing on paper through the production of high-quality notebooks.

---

All inner sheets for C.D. NOTEBOOK and Premium C.D. NOTEBOOK are supplied from Oji Holdings Corporation,  
a Japanese paper manufacturer that has an own strict Wood Raw Material Procurement Guidelines.

## C.D. NOTEBOOK

It is a standard notebook that can be used in a variety of situations, regardless of purpose, generation, or gender.

## APICA's Long-Selling Product

# C.D. NOTEBOOK

*Since 1987*

The paper used for the inner sheet is an original acid-free paper with superior writability, developed in collaboration with Oji Paper Co., Ltd. It is a standard notebook that can be used in a variety of situations, regardless of purpose, generation, or gender.

### There Is Something New in the Nostalgic.

#### [ Vivid Colored Cover ]

The cover features a specialty paper called fancy paper that expresses the texture and color of elegant textiles. In addition to classic colors such as white, red, and yellow, there are Japanese names such as "Hiwa" (greenfinch) or "Sora" (sky) which match the color of the cover.

#### [ Traditional Ornamental Frame ]

The ornamental frame taken over from Nissho Notebook brand is used. The combination of colorful specialty paper and ornamental frame creates an elegant design.

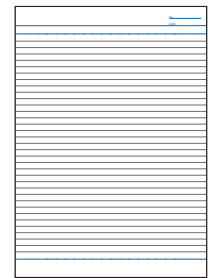

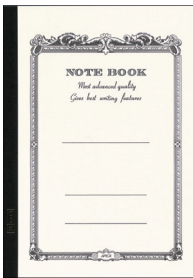

**C.D. NOTEBOOK**

It is a standard notebook that can be used in a variety of situations, regardless of purpose, generation, or gender.

For Users Who Focus on "Writing"

---

**[ Writing Comfort as Silky Smooth ]**

Original writing paper "A.Silky 865 Premium" developed for Premium C.D. NOTEBOOK is used for the inner sheet of the notebook. It features a high quality, smooth writing comfort that can be easily written also with a fountain pen.

**[ Writing Comfort as Easy to Open ]**

Focusing particularly on easy to open, "smyth sewn binding" that opens flat for easy writing is used. Colored threads matching the cover color are used as casual accents.

**Premium C.D. NOTEBOOK**

Cover material, inner sheet, binding method, and all the other component elements for notebooks are carefully selected.

## Just Like Choosing a Pen for Writing Comfort, Choose Also Paper for Writing Comfort.

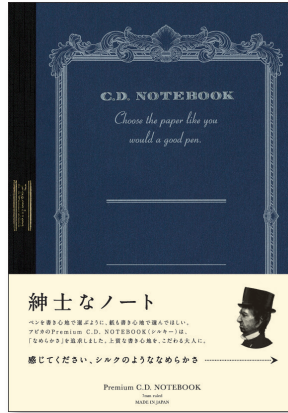

### Rich "Silk" and Traditional "Cream" Paper

There are two different writing comforts in Premium C.D. NOTEBOOK you may choose. (only A5 size)

- Original Writing Paper with Silky Smooth**  
"A.Silky 865 Premium"
- Original Writing Paper with Cream Color**  
"APICA Cream Woodfree Paper"

### Easy to Open Binding Method

Focusing particularly on the binding method, " Smyth sewn binding" that opens flat for easy writing is used. Colored threads matching the cover color are used as casual accents.

### Traditional Ornamental Frame

Based on the ornamental frame had been used for Nissho Notebook brand, we have created the original ornamental frame.

### Fully Elegance Foil Stamping

As an accent to the cover design, " C.D. NOTEBOOK" of the title has been embossed. "Premium" of the gold letters is also embossed on the black back tape as a mark of our commitment

### Cover with Beautiful Glitter

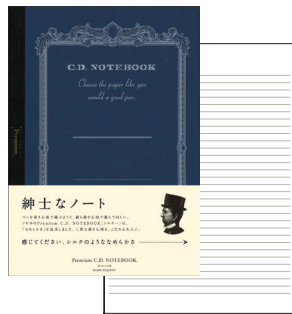

The specialty paper that has a glitter like stardust is used for the cover.
